SECTION-IV
SCOPE OF WORK

1. The volume of work

Approx. No of Applicants : **1,50,000**

2. Pre-Examination Work

End-to-End Solution for various works: The prospective bidder must provide the end-to-end solution with the least paperwork for the various works as mentioned in the Section by using the latest technology in the field of information and communication.

- 2.1 Development and registration of Domain for **B. Ed. Entrance Test (CET-B.Ed.-2024)** in the name as specified by **L. N. Mithila University, Darbhanga** shall be procured by the firm.
- 2.2 Development of Web portal for online registration of candidates and to provide related information like notifications, instructions etc. The Website as well as the application shall be developed for the entire process (Pre- exam, online seat allotment with final approval by the college) by the firm strictly within 7 days from the allotment of the work.
- 2.3 The firm will be required to complete software development and system run at their cost as per requirement and satisfaction of L. N. Mithila University, Darbhanga within a stipulated timeframe as decided by the University. L. N. Mithila University, Darbhanga will not pay any charges for the same, either for system designing or software development or processing whatsoever. The data stored shall be the property of L. N. Mithila University, Darbhanga and the firm shall have to supply the updated data file on External Portable Hard Disks as and when required by the University.
- 2.4 Hosting of application as per timeline decided by L. N. Mithila University, Darbhanga.
- 2.5 Updated/Revised database to be provided after every closing/last date as per schedule provided by L. N. Mithila University, Darbhanga (e.g. no. of students enrolled till the last date, no. of forms verified after fee)
- 2.6 To Provide Data Security Certificate from the Server Provider.
- 2.7 Online Candidate registration for aspiring applicants through web applications shall be deployed in the state-of-the-art data centre with the guaranteed uptime of 99.9% service level agreement. Backup servers shall be maintained by the firm for the backup of the data as well as in case of downtime in one server. So that in case of technical issues or emergency/unforeseen situation(s) or any such situation the application stays alive for the candidates without any obstacles. However, the backup server shall be separate.
- 2.8 Dedicated server in cloud computing environment located in India must be available 24x7 and should have the capability to handle concurrent access/hits as per count given for the reference and capacity to upload signature and photos at a time.
- 2.9 Management and backup of online registration data to avoid data loss through viruses, application problems, human errors, operating system failure, hacking and any other such threat during the process. The firm shall provide L. N. Mithila University, Darbhanga with detail regarding the safety and security measure taken.

- 2.10 Every candidate enrolled shall have a unique Registration Number (format will be specified)
- 2.11 Development and implementation of payment through Payment gateway integration by any RBI approved agency.
- 2.12 Collection of fee as per the following:
 - 2.12.1 For General/OBC Candidates - as per Statute on CET BED.
 - 2.12.2 For SC/ST/differently-abled candidates - as per Statute on CET BED.
- 2.13 The firm shall prepare an MIS report for the fee collected/challan verified *vis-a-vis* the number of candidates and accordingly the status of the fee and candidate successfully enrolled shall be displayed on the website also. It will be the sole responsibility of the prospective bidder to reconcile the various fee and provide the related data/Reports in a stipulated period as communicated by L. N. Mithila University, Darbhanga. A soft copy of MIS shall be provided by the Bank (as decided by L. N. Mithila University, Darbhanga) to the vendor on daily basis.
- 2.14 Various validations as required based on policies/ notifications/ guidelines shall be implemented while enrolling the student. However, all such validations shall be checked and verified by the concerned authority before making it live to the public.
- 2.15 A detailed report of Invalid/Rejected/Pending or any such unsuccessful cases shall be reported to the candidate as well as to the university through an MIS report. In the said cases, an E-mail/SMS shall be triggered to the applicant for information.
- 2.16 After the verification of the fee, the applicant shall be able to download a hard copy of the form. The form shall carry a self-declaration by the applicant stating that whatever information is filled and submitted online is correct and authentic for which in case of any information found incorrect may invoke cancellation of the result by the concerned authority.
- 2.17 A list of eligible candidates will be uploaded in the web application for the correction regarding candidate name, father's name etc. before uploading the E-Admit cards. After correction, intimation will be given to the concerned candidate of revised particulars by SMS as well as on the registered E-Mail. This updated database will be considered as final and shall be maintained for future use.
 - 2.17.1 The E-Admit cards shall be uploaded on the website through the candidate login carrying centre name, roll number and other details.
 - 2.17.2 The intimation shall be made through SMS as well as on the registered E-mail Id of the applicant.
- 2.18 After the last date of online submission various reports shall be generated like the number of candidates enrolled, gender-wise, physically challenged, category, community wise etc.
- 2.19 Report generation for Centre wise printing of attendance sheet with student photograph and signature shall be prepared.
- 2.20 The firm would provide the complete database easily accessible at the user end. It shall contain images of answer sheets/attendance sheets/OMR, attendance sheet.

3. Training, Helpdesk and Grievance Redressal and other support

Any difficulty/grievances faced/felt by the candidates or the heads of the institutions or by anyone at the end-user needs to be promptly attended by the prospective bidder. The bidder/vendor must take all necessary steps to ensure that absolutely no difficulty of any kind is faced by anyone during the entire process of online mechanism for various works. In case of any difficulty, provide such a technological arrangement that the difficulty is detected/pointed out and at the same time and the solution/remedy for the same shall be provided for an immediate solution online only. The provision of SMS and Email alerts and onsite updated information is to be made by the prospective bidder. The required support as and when needed by any of the end-user is to be provided through emailing and by arranging help desk number till the requirement period. The overall purpose of the above mechanism is to ensure that the online services remain hassle-free, time-saving, cheaper, more convenient and user friendly. Daily basis report of grievances received, redressed, pending if any must be provided to the competent authority of L.N. Mithila University, Darbhanga through online only.

- 3.1 Training modules shall be developed to provide training and support to the candidates.
- 3.2 Setting up of a centralized help desk centre shall be established at firms.
- 3.3 A FAQ shall be developed and displayed on the website for the candidate's assistance.
- 3.4 A separate call centre set up for solving candidate queries through a help desk number with a minimum number of 5 persons deployed by the firm for solving candidates query during the working hours (9 am to 5 pm). Such call centres would be operational from the start of online registration till the end of the admission process.
- 3.5 SMS and Email support services as desired by L. N. Mithila University, Darbhanga.
- 3.6 Online administration and reporting feature shall have an admin panel with different level of access rights as authorized by L. N. Mithila University, Darbhanga for different officers.
- 3.7 The prospective bidder is expected to create and provide training modules and FAQ related to the various works. The training modules comprising audio/video technique are to be uploaded on the site so that the users of the online services find it useful and convenient while entering the required data for various work/activities. The overall purpose of the training module is to facilitate the online application of various services.

4. Supply of Centre Kit for each Examination Centre to the Office of the CET-B.Ed.

- i. Photo OMR Attendance Sheet
- ii. Roll Number Stickers
- iii. Candidate Database Copy

5. Annexure - 3: Guidelines for Preparation of Technical Proposal

1. A printed covering letter, on the bidding organization's letterhead with all required information and authorized representative's initials shall be submitted along with the proposal. In case the bidder edits the content of the proposal covering letter; it will be treated as a non-responsive bid and shall be rejected.
2. The technical proposal should contain a detailed description of how the bidder will provide the required services outlined in this tender. It should articulate in detail, as to how the bidder's technical solution meets the requirements specified in the tender. The technical proposal should not contain any pricing information. In submitting additional information, the bidder should mark it as supplement to the required response.
3. The proposals must be direct, concise, and complete. Any information which is not directly relevant to this tender shall be omitted. Lalit Narayan Mithila University will evaluate the bidder's proposal based upon its clarity and the directness of its response to the requirements of the project as outlined in this tender.
4. The bidder shall fill in the technical response as per the template provided Annexure failing which, the bid shall be treated as non-responsive and shall be rejected.
5. Commercial Evaluation Criteria

The Bid Evaluation Committee will evaluate the Commercial bids received from the bidders, in specified format, as mentioned below:

The Price Score of the bidder will be calculated using the following formula:

$$\text{Price Score} = \frac{\text{L. P.}}{\text{O. P.}} * 100$$

Where

L.P. is the Lowest Price offer of the Technically Qualified Bidders

O.P. is the Offer Price of the bidder being evaluated

Overall Evaluation Criteria

The Bids received will be evaluated using Quality cum Cost Based Solution (QCBS), giving 70 percent weightage to the Technical Score and 30 percent weightage to the Price Score.

Total Score = (Technical Score x 0.70) + (Price Score x 0.30)
