

UNIVERSITY DEPARTMENT OF CHEMISTRY

ABOUT THE DEPARTMENT

The Department of Chemistry has been established in the year 1974. The department was established with an objective of providing quality education in the convocational area of science and growing in to a centre of teaching and research with an aim to achieve prominent position in the academic map of Mithilanchal and particular in India. The department offers P.G. level advance courses in chemical science. The department is also offering Ph.D. programme in Chemistry. The Faculty members are specialized in frontier areas of chemical sciences and they have contributed to scientific arena through scientific research and publications and are recipients of many distinguished national and International awards. The department also publishes journal named Mithila journal of Chemistry with ISSN No-2455-0617.

About Theme

Chemical science involves everywhere and evolving almost in every dimension of science. Considering these facts, We are organizing an International conference on Nanochemistry and Theragnostics . This conference is expected to cover the following areas:

Nanomaterials #Elemental codoping #Dye sensitization
Nanoelectronics #Nano Drug Delivery # Nano Photonics
Nanosensors # Computational Chemistry

REGISTRATION

Start :06/05/2024

End : 15/07/2024

ABSTRACT

Submission Start : 06/05/2024 and End : 10/07/2024
