## Minutes of the Meeting of the Tender Committee regarding Technical Evaluation of the tender no. LNMU/MERU (PM-USHA)/ 01/2025 under MERU scheme of PM-USHA in the state of Bihar

With reference to the Notice Inviting Tender (NIT) Reference no. LNMU/MERU (PM-USHA)/01 to 04/2025 for selection of Agency for Laboratory Chemical, Glassware, Plasticware & Equipment Supply, Installation and Services for its maintenance at L.N. Mithila University, Darbhanga, under MERU, PM-USHA scheme in the state of Bihar, published in the leading newspapers and uploaded on the websites “<http://www.eproc2.bihar.gov.in/>”, and “<https://www.lnmu.ac.in/>”, the technical bid opening meeting was held on 23<sup>rd</sup> December, 2025 at 1:30PM in the office of the Registrar, LNMU, Darbhanga.

Following the bid opening, the technical documents uploaded by bidders on eProc portal were verified for eligibility and authenticity by the members of the tender committee.

Members present:

- Dr. Divya Rani Hansda, Registrar, LNMU, Darbhanga
- Shri Indra Kumar, FA & FO, LNMU, Darbhanga
- Mr. Amrit Kumar Jha, Nodal Officer (MERU), LNMU, Darbhanga
- Dr. Atanu Banerjee, ePROC Coordinator, LNMU, Darbhanga
- Shri Krishna Murari, CET-B.Ed./ AO, WIT, LNMU, Darbhanga (special invitee)

### Resolution:

Altogether the following 3 bidders participated in the bid:

1. International Scientific Stores, Muzaffarpur
2. Scidemic India Private Ltd., Patna
3. Science Palace, Muzaffarpur

The documents uploaded on eProc were scrutinized and verified for authenticity by the tender committee. As a result, documents uploaded by Scidemic India Pvt. Ltd. and Science Palace are found to be satisfactory and as per the terms and conditions stated in the RFP and its associated corrigendum and thus, they qualify for the bid. International Scientific Stores, Muzaffarpur has been disqualified due to the following reasons:

1. ‘International Scientific Stores’ does not have a single work order above 1 crore as was stated in RFP (with corrigendum) clause 8.1, item 5.
2. Authorization letters from ACZET is not tender specific.
3. ASICO has not provided tender specific authorization to ‘International Scientific Stores’.
4. ‘International Scientific Stores’ has applied for providing certain chemicals and glassware through Shiva Chemical Company, New Delhi. However, Shiva Chemical Company is not a manufacturer of chemicals or glasswares.

5. International Scientific Stores has quoted for glasswares of Borosil whereas Borosil has provided tender specific authorization to some other firm, not to 'International Scientific Stores'.
6. Item no. 29 quoted by International Scientific Stores is of Ocean Techno brand, whereas this company does not manufacture any such product for research laboratory purpose.
7. The demand draft for document fee not submitted physically neither any proof of the same has been provided on the eProc.

Since certain criteria/ technical documents were not satisfactory as mentioned above, International Scientific Stores do not qualify for scoring as well. Thus, International Scientific Stores needs to provide clarification on the above matters on or before 17<sup>th</sup> March, 2026 till 5PM through email to [merulmnu@lnmu.ac.in](mailto:merulmnu@lnmu.ac.in). Failure to provide clarification or unsatisfactory response within the stipulated time will lead to rejection of International Scientific Stores from this tender.
